

Glucosamine 5000 contains Glucosamine HCL, a natural substance that may stimulate the production of protoglycans which help to maintain the health and resiliency of joints and connective tissue and Omega 3 Fatty Acids that may help ease aches and discomfort caused by training and competition.

Contains no fillers ~ only active ingredients!

Glucosamine 5000 also contains the following natural ingredients:

Yea-Sacc Promotes the best possible digestion and utilization of the nutrients. Fiber digesting bacteria are enhanced, resulting in improved digestion of feeds and forages. This, coupled with the enhancement of other beneficial bacteria (such as lactic acid utilizing bacteria) provides for a more stable hindgut environment.

SEL-PLEX Contains the same range of seleno-compounds present in plants - the form animals are best able to absorb, store and utilize.

Active Ingredients Per Ounce:

Glucosamine HCL (shellfish) 5000mg,
Omega 3 Fatty Acid (alpha-linolenic acid) 20 grams,
Vitamin C 85mg, Selenium 1ppm

Inactive Ingredients: Brewers Dried Yeast,
Saccharomyces Cerevisiae, Corn Starch

Available in four convenient sizes each packaged with a scoop for ease of dosing;
16ounce, 2 1/2pound, 5pound, 25pound
