Micro Balance™

- Fast-Acting, Immediate Care Paste
- Replenishes Key Digestive Components

Micro Balance immediate care paste is a highly concentrated, broad spectrum complex of beneficial direct-fed microbial cultures for horses that is formulated in a unique bioenergetic base, for fast-acting support of normal intestine balance, hydration, and microbial activity in foals and adult horses.

Feeding Instructions:

Immediate Care: Feed 5 to 10 ml per 100 lbs of body weight. For most adult horses, feed entire contents of tube.

Maintenance: Feed 1 ml per 100 lbs of body weight per day. Store in a cool, dry place away from children.
