Feeding Directions:

Due to settling of the product in the container, there may be slight variations in the total number of Sho-Glo portions when using the measure provided. This container, however, does contain the net weight stated on the label and will make the portion indicated when measured exactly by weight.

For Mature Horse 800-1200 lbs):

Feed 2 ounces of Sho-Glo daily along with the regular grain ration.

For Foals, Ponies And Horses less than 800 lbs:

Feed 1 ounce of Sho-Glo daily with the regular grain ration.
