Vetrolin[®] Conditioner

Intense Moisturizing Formula

Vetrolin[®] Conditioner with Solar Guard[®] bonds to the hair to protect against fading and discoloration from damaging sunlight and other harsh elements for up to 8 days. Doesn't rinse or sweat away. Protein-enriched conditioners penetrate deep into the hair to restore and protect skin and hair from environmental harm. Vetrolin[®] Conditioner leaves the mane, tail and coat feeling soft with a healthy shine and the fresh, familiar Vetrolin[®] fragrance.

DIRECTIONS: Shampoo with Vetrolin[®] Bath. Rinse. While the hair is still wet, apply a generous amount of Vetrolin[®] Conditioner to the mane, tail and body. Use your fingers to work the product down to the hair roots in the mane and tail. Leave conditioner in for several minutes, then thoroughly rinse with clean water.
