

ACCEL[®] LIFETIME

Contains a source of live (viable) direct-fed microbials

- With GlutaSyn[®] Inside
- Comprehensive Daily Nutrition
- Balanced Multi-Vitamin and Mineral Supplement
- Full Spectrum of Essential Nutrients

NET WEIGHT **3 lbs. (1.36 kg)**

For all **CLASSES** of horses.

3000635

RM#:2004390 02-2019

Super antioxidant formula!

- Enhanced vitamin C and E levels with extra selenium for broad antioxidant support
- Fortified with GlutaSyn® for patented immune and antioxidant nutrition
- Potent direct-fed microbial complex with *Saccharomyces cerevisiae*
- Ideal one-step supplement for magnificent overall nutrition!

Accel® Lifetime combines the advantage of Accel's balanced comprehensive nutrition with the patented immune and antioxidant support of GlutaSyn. Featuring significantly higher levels of selenium and vitamins C and E than regular Accel, this formula is an excellent source of essential vitamins, chelated and conventional minerals and trace minerals, amino acids and natural direct-fed microbial cultures.

Feeding Instructions:

Enclosed scoop holds 1 ounce.

Training, performance, or during breeding, gestation, lactation, or stress: 2 ounces (2 scoops) daily. Mature horses, idle to moderate activity: 1 to 2 ounces daily.

Weanlings, yearlings: start at 1/2 ounce daily; gradually increase according to body weight. Increase feeding of large breeds proportionately according to body weight in excess of 1,000 pounds. Keep cool and dry. Reseal after each use.

Ingredients: alfalfa meal dehydrated, soybean flour, calcium carbonate, monocalcium phosphate, dicalcium phosphate, potassium chloride, potassium sulfate, magnesium sulfate, magnesium oxide, molasses products, dried whey protein concentrate, maltodextrin, dried whey, dried skim milk, dl-methionine, vitamin A acetate, vitamin D₃ supplement, vitamin E supplement, menadione dimethylpyridinidol bisulfite, ascorbic acid, vitamin B₁₂ supplement, biotin, calcium pantothenate, choline chloride, folic acid, niacin supplement, pyridoxine hydrochloride, riboflavin supplement, thiamin mononitrate, cobalt proteininate, copper proteininate, ethylenediamine dihydriodide, iron proteininate, manganese proteininate, sodium selenite, zinc proteininate, dried fermentation extracts of: *Aspergillus niger*, *Trichoderma longibrachiatum*, *Bacillus subtilis*, dried fermentation products: *Enterococcus faecium*, *Lactobacillus acidophilus*, *Lactobacillus fermentum*, *Bifidobacterium longum*, *Lactobacillus casei*, *Lactobacillus plantarum*, *Pediococcus acidilacticii*, natural and artificial flavors, mineral oil. Contains a source of: amylase, which can hydrolyze starch, protease, which can hydrolyze proteins, and cellulase, which can break down cellulose.

Direct-fed microbials, guaranteed analysis:
 Mixed Lactic Acid Bacteria 3.69 x 10⁸ CFU/gm
Saccharomyces cerevisiae 9.92 x 10⁸ CFU/gm

Enzymes, guaranteed analysis:
 Amylase activity, min. 0.625 CMC units/lb.
 Protease activity, min. 60 HUT/lb.
 Cellulase activity, min. 10 BAU/lb.

Vita-Flex Nutrition
