

APPLEZZ...N'...OATS

HORSE TREATS

NET WEIGHT 3 LBS. (48 OZ.)

Most of these ingredients are commonly found in quality horse feeds. You can offer "Applezz N' Oats" to your horse or pony as a treat to show your affection or as a reward during training. Due to the absence of binders, this clover shaped treat will not always be perfectly shaped; but then again, what things in nature are "perfect"?

GUARANTEED ANALYSIS:

Crude Protein, not less than	9.0%
Crude Fat, not less than	3.0%
Crude Fiber, not more than	17.0%
Moisture, not more than	11.0%
Ash, not more than	5.0%
