PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Remove or cover exposed foods before spraying. Do not apply to dairy animals.

FIRST AID

IF SWALLOWED
• Immediately call a poison control center or doctor.
• Do not induce vomiting unless told to do so by the poison control center or doctor.
• Do not give anything by mouth to an unconscious person.

IF IN EYES
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

IF INHALED
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.
• Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS
This product is toxic to fish. Do not apply directly to water. Do not apply where it may be washed into nearby water courses or storm drains.

NOnez TO PHYSICIAN
Contains petroleum distillate - smoking may cause aspiration pneumonia.

PHYSICAL OR CHEMICAL HAZARDS
Do not use or store near heat or open flame. Buyer assumes all risk of use, storage or handling of this product not in strict accordance with directions given herein.

GENERAL PRECAUTIONS
Do not contaminate water, food or feed by storage or disposal. This product is not a food or feed additive. Do not contaminate water, food or feed by storage or disposal. Use care in handling and disposing of this product to prevent damage to the environment.

In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers or for product use information, call 800-234-2269. Have the product container or label with you when calling.

Grooming Aid and Coat Conditioner

Kills and Repels: Stable Flies, Horn Flies, House Flies, Face Flies, Horse Flies, Deer Flies, Mosquitoes and Gnats

BRONCO® GOLD Equine Fly Spray

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Bronco® Gold Equine Fly Spray has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair which brushed out. 1-2 ounces per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

USE TO WIPE ON: First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are seen. Only a light application is required. Avoid using an excessive amount on your horses. Do not wet skin. After application, brush out thoroughly to bring out bright sheen on coat. Repeat daily or as required.

USE AS A SPRAY: Bronco® Gold Equine Fly Spray may be applied as a fine mist spray to stable area and over and around stalled horses for fast paralysis and kill of flies. Do not wet horse’s skin or exceed two ounces per application.

STORAGE & DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage and Spill Procedure: Store upright at room temperature. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller’s earth, etc. Dispose of with chemical waste.

STORAGE: Store in original container inaccessible to children and pets. Disposal: Nonrefillable container. Do not reuse or refill this container. If Empty: Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
