THE MISSING LINK[®]

Well Blend[®] Senior For Nose-to-Tail Health

The Missing Link[®] Well Blend[®] Senior helps maintain physical and mental well-being in senior and aging horses with specially selected ingredients that target their unique needs.

Omega 3 fatty acids support normal inflammatory response, probiotics may reduce the possibility of digestive colic, glucosamine and MSM help support healthy joints and flexibility, grape seed extract provides potent antioxidant protection to help eliminate free radicals associated with the aging process, and ginkgo may help enhance brain function.

The fresh-ground flaxseed base provides fatty acids that are vital to everyday health, strong muscles, healthy joints, and the heart and cardiovascular systems.

Plus, our proprietary processing and packaging keeps the supplement fresh without preservatives and ensures your horse gets the most out of the formula.

No Fillers, No Artificial Ingredients or Flavors
