Product Facts

ACTIVE INGREDIENTS

- Bentonite (*Bowie Type Clay*)
- **Sore No-More®** Liniment Solution consisting of a propriety blend of Witch Hazel, Arnica Montana, Rosemary, Lavender and Lobelia
- Sodium Borate (*as a preservative*)

Contains only these herbs. No harsh chemicals. Product may settle during shipment. The herbal extracts may cause color variance.

Apply a thin layer of **Sore No-More® Arnica Cooling Clay Poultice** to the desired area of legs or body. **SNM Cooling Clay Poultice** is silky smooth and nonirritating. To be applied to areas of edema, swelling, heat, inflammation, and infection. An excellent topical application for sensitive skinned animals to cool and tighten before and after exercise, training or competition.

WARNINGS — FOR EXTERNAL USE ONLY

Keep container tightly sealed after use. Keep out of reach of children. Do not use on open wounds. For animal use only.

Made in the USA.

FPO LOT # MFG

SORE NO-MORE® Poultice

Arnica Cooling Clay

Net Contents 5 lbs. (2.273kg)

DIRECTIONS

Leg: Apply a thin layer of **Sore No-More® Cooling Clay Poultice** directly to surface of leg. Use with or without paper or plastic (plastic increases heat exchange). Washes off easily.

Hoof: Apply to hoof to reduce heat. Use several times a week or before and after shoeing to increase moisture to ensure a soft, pliable, resilient sole, frog and hoof wall.

Use with SNM Wrap Arounds™:
Ease of application and clean-up with this great combination! Position **Wrap Around™** Towelettes to leg and apply **Cooling Clay Poultice** over the towelette. Great for use in cold weather or when water for clean-up is not available.
