AniMed's Vitamin E and Selenium oral feed supplement for horses is formulated to supply supplemental Vitamin E and Selenium that may be lacking or in insufficient quantities in the horse's normal diet.

FEEDING DIRECTIONS:
HORSES: 1 tablespoon per day top-dressed or mixed with feed daily. The large side of the enclosed scoop measures 1 tablespoon or approximately 1/2 ounce.

NOTE: One tablespoon provides approximately 625 IU of Vitamin E and 1.4mg of Selenium. This amount should not be mixed into a total daily diet of less than 11 pounds.

INGREDIENTS: Stabilized Rice Bran, Dl-alpha Tocopheryl Acetate (Vitamin E), Saccharomyces cerevisiae, Calcium Carbonate, Selenium Yeast, Silica, Brewers Yeast, Distillers Dried Grains, Silicon Dioxide, Zinc Sulfate.

FOR ANIMAL USE ONLY. KEEP OUT OF THE REACH OF CHILDREN. Keep lid tightly sealed and store in a cool, dry place.

Feeding added Selenium at levels above 0.3ppm in the total diet is prohibited.
