NOT FOR HUMAN USE

KEEP OUT OF REACH OF CHILDREN

CAUTION
See back panel for additional precautionary statements.
NADA 100-616, Approved by the FDA

NET CONTENTS: 16 fl oz (473 ml)
RM#: 2006473  06-0903
SHAKE WELL BEFORE USING

INDICATIONS: As an aid in the treatment of thrush in horses and ponies due to organisms susceptible to Copper Naphthenate. Thrush is a disease of horses’ hoofs characterized by a thick, black, foul-smelling discharge.

DIRECTIONS: Clean the hoof thoroughly by removing debris and necrotic material prior to application of Horseshoer’s Secret Thrush Treatment Aid. A narrow paint brush (about 1” in diameter) may be used to assure thorough coverage. Apply Horseshoer’s Secret Thrush Treatment Aid daily.

USE APPLICATOR AS FOLLOWS:
1. Remove cap.
2. With sharp instrument, punch a small hole in metal seal.
3. Replace with applicator cap; screw it down tightly.
4. Loosen nozzle a small amount.
5. Invert bottle and squeeze gently, using nozzle to regulate the flow of fluid.

NOTE: Horseshoer’s Secret Thrush Treatment Aid is easily removed from hands, clothing, and surfaces with a light grade fuel oil or any type of lighter fluid.

PRECAUTIONS: For animal use only. Do not contaminate feed. Avoid contact around eyes. For use on horses and ponies only. Do not allow excess Horseshoer’s Secret Thrush Treatment Aid to run off and contact hair. Contact may result in hair loss.

WARNING: Do not use in horses intended for human consumption.

HARMFUL IF SWALLOWED: DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.
