PRODUCT FACTS (continued)

For use in equine only.

GLUCOSAMINE XL PLUS w/MSM™ is recommended to help support healthy joint function.

DIRECTIONS FOR USE:

(Enclosed measure approximates 1.75 oz based on density of product.)

Adult Horses (900-1,100 lbs): Provide 1.75 oz twice daily during high level stress and/or working conditions. For lower maintenance level, provide 1/2 measure twice daily. This level may be doubled for the first 14-21 days.

WARNINGS:

For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption. Store in a cool, dry place.
