If the front panel is longer than 8.5 inches, it must
be on the right side of the artwork.

Notes to Customer:

- Stayaways (.003" barriers between ink colors) have been added to this artwork. Stayaways prevent ink contamination between colors (most commonly used for white, yellow, and metallic ink). They should not be visible when printed.
- Screens (% of solid colors) can become lighter or darker in printing on plastic.
- The PDF (digital) proof is for reviewing content only. Please refer to the Pantone Color Guide or a hard copy proof (if requested) for color accuracy.

CUSTOMER: A signed proof is required for all artwork prepared by Berry Global (either faxed, mailed in, or as a digitally signed PDF). A signed, original hard copy proof is required for all new artwork with process images. Neither print plates, print scheduling, nor actual printing will begin until signed approval is received. Person signing below is fully responsible for and has unlimited authority to approve artwork and agrees that this art proof approval is binding on the customer. Verbal approvals are not accepted. All sales are subject to Berry Global's standard terms and conditions of sale of which customer acknowledges receipt.
